6. Update your website with photos or other news from the show.
7. Create and post social media content.
8. Execute marketing lifecycle/follow-up tasks.
9. Research and order swag.
10. Proof ads/blog posts/marketing materials.

10-HOUR TIME BLOCKS FOR NARI MEMBERS

The 2017 NARI Remodeling Expo is in January. **Are you ready?** We can help. Give us 10 hours, and our virtual assistant team can get **a lot** of your pre- and post-show task list tackled.

To help **our fellow NARI members** (*we've been a member since 2013!*), we're offering a **LIMITED NUMBER** of 10-hour time blocks that you can use to get your trade-show to-do list done.

CONVINCE ME ... WHY IS THIS SUPER COOL?

Our time-block programs are typically reserved for our Nonprofit clients. But we're (*happily!*) opening up this specific plan to NARI members to help them **prep for the NARI Remodeling Expo** in January.

I'M CONVINCED. WHAT'S THE CATCH?

No catch. Drop us a line and tell us about your trade show task list. We'll flush out what we can take off your list. Pretty simple. Oh...there is one thing... we only have a limited number of 10-hour blocks available.

WHAT'S MY INVESTMENT?

Normally it's \$570 for a 10-hour time block. But, we're offering a 15% discount to NARI members for this program, so it's at a special price of \$480.

This is a screamin' deal for the value of your time, and for the peace of mind knowing that your trade show to-do list is taken care of.

HOW DO I SIGN UP?

Email or call us, and we'll send you a few more details. We'll chat about your to-do list, projects, and determine a plan of action. Then we'll hit the ground running.
